

4. **Tip:** To keep two words together as a phrase, use the tilde ~ between words. Ex: To~be
5. Your Wordle will not be saved unless you create an account and add it to your public gallery.
6. Click on "Print" to print it out. Click OK if you get a message about printing.
7. To save your Wordle as a .jpg file to be pasted into another program, you can use the Hypersnap program on campus.
 - Open Hypersnap from the programs list, then choose "Capture" and scroll down to "Region."
 - The Hypersnap program will allow you to draw a box over the Wordle.
 - The image will then import it into Hypersnap where you can copy and paste it into another program or "Save As" a .jpg file.

How to use Wordle Advanced

Wordle Advanced allows you to add weight or rank to the words you type in, giving you the ability to make certain words bigger than others. The more important the word, the higher number or weight you should assign it.

1. Click on "Advanced" on the right side of the screen.
2. Type your words into the box in list form like the examples below. Then click the "Go" button.
 - To be or not to be: 420
 - question: 380
 - sleep: 300
 - dream: 300
 - die: 300
 - outrageous fortune: 200
 - slings and arrows: 200

Follow steps 3-6 above as needed.
